

Uniti Smart Data Collection

CIS 497/498 Senior Project

Team: The New Edition

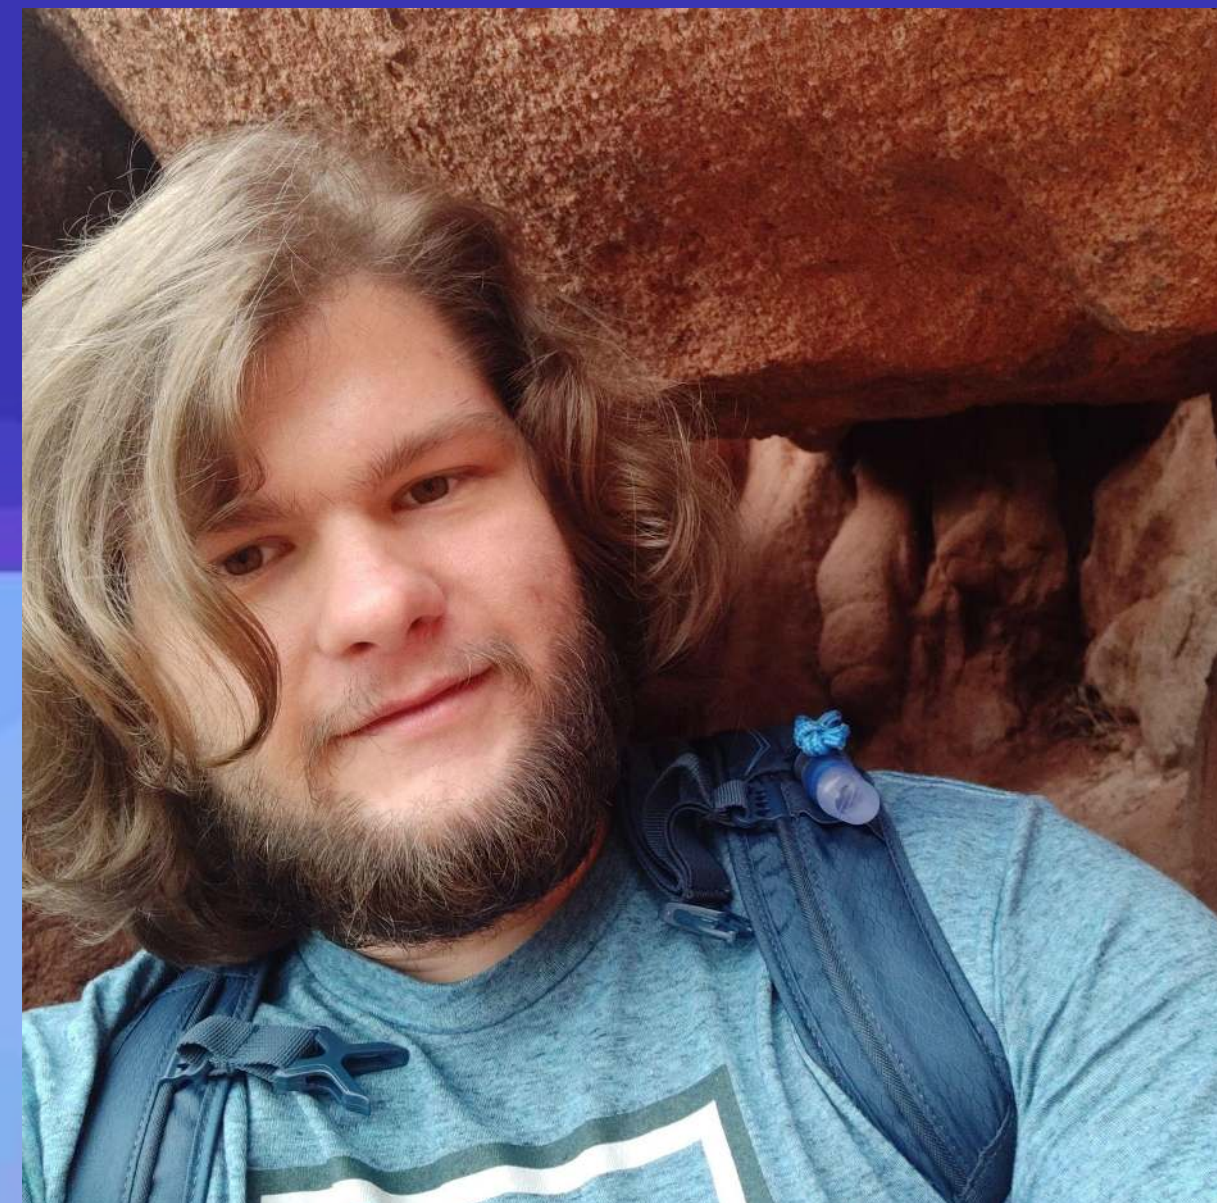

Client: Kenneth Ward, Uniti OSS Engineer

Our project goal is to redesign the front end of Uniti's program that pulls the status of their nodes. We will do this utilizing javascript and CSS frameworks with a PHP backend.

Sean Brown

I am graduating with a degree in Information Systems with a focus in Business. My favorite hobbies are racing and traveling with my family.

Ryan Grissett

I am graduating with a degree in Computer Science. My hobbies are traveling and gaming.
