

Instructor in Computer Science

The School of Computing at the University of South Alabama is soliciting applications for a full-time non - tenure-track faculty position in Computer Science at the rank of Instructor to begin the Fall 2024 semester.

Applicants must hold a minimum of a MS in computer science (or closely related field) by their start date. Applicants are sought with teaching interest and experience in the core computer science subjects.

The University of South Alabama is located in Mobile, Alabama. Mobile features a year-round climate conducive to outdoor recreational activities and proximity to Mobile Bay and the Gulf of Mexico. USA is a DoD/DHS Center of Academic Excellence in Cyber Defense with ABET-accredited undergraduate programs in Information Systems, Information Technology, and Computer Science. Graduate programs include a master's program in Computer Science, a master's program in Computer Science, Cybersecurity, and Information Systems, and a Ph.D. in Computing.

The School of Computing is located in Shelby Hall, a 155,000 square-foot, world-class computing and engineering facility, built with green and sustainable practices designed to provide a spacious, tranquil, environment for teaching and research. The high-tech facility houses multimedia classrooms and laboratories in cybersecurity, artificial intelligence, machine learning, and other cutting-edge fields. The School's facilities offer an excellent opportunity for motivated, innovative faculty to play a major part in building a respected program focusing on areas of growing importance to the computing field. Leadership opportunities abound.

Candidates should send, via electronic submission: (i) a letter of application (cover letter), (ii) a one-page statement of teaching philosophy, (iii) an up-to-date curriculum vitae, and (iv) contact information for three professional references, to the Chair of the Faculty Search Committee, Dr. Aviv Segev at csfacultysearch@southalabama.edu.

Before an on-campus interview can occur, the University must receive official transcripts sent from all institutions of higher learning in which the applicant has earned a degree, three signed, original letters of recommendation, and a completed University of South Alabama Biographical Data Form <https://www.southalabama.edu/departments/eforms/academicaffairs/biographicaldataform.pdf>.

Visit the School of Computing on the web at <http://www.soc.southalabama.edu/>.

Materials are forwarded to:
Dr. Aviv Segev, Chair
Faculty Search Committee
University of South Alabama
School of Computing
Shelby Hall
150 Student Services Drive, Suite 2101
Mobile, AL 36688

Review of applications will begin upon receipt. While the search remains open until the position is filled, applicants should send materials as early as possible.
